VIOGNIER 2014 YAKIMA VALLEY

- Grape Varietals:** Viognier
- Wine Making:** The just over 100 cases of this special wine were sourced from family owned Willard Farms.
- Tasting Note:** Our well-balanced, Viognier shows pronounced stone fruit, especially apricots with subtle and appealing notes of chamomile, thyme and a hint of pine. It provides a wonderful, rich texture and a spicy finish.
- Serving Suggestions:** A modern classic when paired with sweet and spicy Thai food or other Asian dishes. We especially like it with Red curry Peanut sauces or shrimp cakes.
- Fun Facts:** In the late 1960's just 40 acres of Viognier vines were all that remained in the world located exclusively in the vineyards of Condrieu and Chateau-Grillet. Happily, the 1970's saw new life breathed into this historic and wonderful varietal. Today it is well at home in much of the New World.
- Price:** \$15.00 Club Members
