MOURVÈDRE 2011

Yakima Valley, Washington

Mourvèdre is a meaty, full-bodied red wine that is typically used in Rhône style blends. In this lighter bodied version, we blend in Grenache and a touch of Lemberger. This wine has aromas of tobacco, violet, raspberry leaf and an underlying hint of gravel. White pepper on the palate and red plums turn to rich strawberry flavors on the finish.

ALCOHOL: 13.9% by volume

VARIETIES: 75% Mourvèdre, 15% Grenache, 10% Lemberger

PRODUCTION: 160 Cases

PAIR: Braised short-ribs, pork shoulder, lamb sausage
